- i. The identity of the survivor(s)/nominee and the fact of the death of the account holder is established through appropriate documentary evidence.
- ii. There is no order from the competent court restraining the bank from making the payment from the account of the deceased.

In such cases, payment to the survivor(s) / nominee of the deceased depositors will be made without insisting on production of succession certificate, letter of administration or probate, etc. or obtaining any bond of indemnity or surety from the survivor(s)/nominee, irrespective of the amount standing to the credit of the deceased account holder.

- B. The survivor(s) / nominee would be receiving the payment from the bank as a trustee of the legal heirs of the deceased depositor, i.e., such payment shall not affect the right or claim which any person may have against the survivor(s) / nominee to whom the payment is made.
- C. The payment made to the survivor(s) / nominee, subject to the foregoing conditions, would constitute a full discharge of the bank’s liability.
- D. In case of term deposits with “Either or Survivor” or “Former or Survivor” mandate, premature withdrawal on death of one of the depositors of the deposit by the surviving joint depositor/s will be permitted only if there is a mandate from all the depositors to this effect.

8.8.2 Accounts Without the Survivor/Nominee Clause:

In case where the deceased depositor had not made any nomination or for the accounts other than those styled as “either or survivor” (such as single or jointly operated accounts), we will adopt a simplified procedure for repayment to the legal heir(s) of the depositor, keeping in view the imperative need to avoid inconvenience and undue hardship to the common person. Keeping in view the above policy, we will fix a minimum threshold limit up to which claims in respect of the deceased depositors could be settled without insisting on production of any documentation other than a letter of indemnity.

8.8.3 Time Limit for Settlement of Claims:

We will settle the claims in respect of deceased depositors and release payments to survivor(s) / nominee within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claimant(s), to the bank’s satisfaction.

8.8.4 Premature Termination of Term Deposit Accounts:

In the case of term deposits, we will incorporate a clause in the account opening form itself to the effect that in the event of the death of the depositor, premature termination of term deposits would be allowed. The conditions subject to which such premature withdrawal would be permitted would also be specified in the account opening form. Such premature withdrawal would not attract any penal charge.

8.8.5 Treatment of Flows In The Name of The Deceased Depositor:

In order to avoid hardship to the survivor(s) / nominee of a deposit account, we will obtain appropriate agreement / authorization from the survivor(s) / nominee with regard to the treatment of pipeline flows in the name of the deceased account holder. In this regard, we will consider adopting either of the following two approaches:

- i. We could be authorized by the survivor(s) / nominee of a deceased account holder to open an account styled as 'Estate of _____, the Deceased' where all the pipeline flows in the name of the deceased account holder could be allowed to be credited, provided no withdrawals are made.

OR

- ii. We could be authorized by the survivor(s) / nominee to return the pipeline flows to the remitter with the remark "Account holder deceased" and to intimate the survivor(s) / nominee accordingly. The survivor(s) / nominee / legal heir(s) could then approach the remitter to effect payment through a negotiable instrument or through electronic transfer in the name of the appropriate beneficiary.
